WellPath to Directly Contract with Providers in North Carolina

WellPath Select, Inc. ("WellPath") and its affiliate, First Health Group Corp. ("First Health"), have decided to contract with chiropractic providers in North Carolina directly through WellPath.

If you wish to continue to participate in the First Health network, you will need to contract with WellPath directly. You should begin this process now, as the First Health contract terminates effective August 1, 2010.

For the Nomination Form and Credentialing Information, visit [WellPath's website](#), under the Provider's section.

If you have any questions, please contact:

Colleen Andrews, East Region

(providers located in Alamance County east to the beach)

Phone: 919-337-1950

Judson Salter, West Region

(providers located in Guilford County west to the TN border)

Phone: 919-337-1865

Integrated-ActivHealthCare will continue to be contracted with Coventry National and First Health through July 31, 2010. Claims incurred for these two networks prior to July 31, 2010 or the date you become effective under a direct contract, whichever occurs first, should be submitted through I-AHC.

This change will not affect I-AHC's relationship with WellPath or First Health in South Carolina.
